

INTERNATIONAL SOCIETY OF CRITICAL HEALTH PSYCHOLOGY

8th Biennial Conference

22 -24 July 2013

Hosted at the University of Bradford,
Bradford, West Yorkshire

The biennial ISCHP conference provides an exciting opportunity for health psychologists and scholars from related disciplines to explore ongoing and emerging issues in critical theory and practice in relation to health and health care. Attendance is therefore welcomed from scholars in any discipline with a critical orientation to the field of health. The conference also welcomes and encourages students and emerging researchers.
